Person Centered Services Care Coordination Organization, LLC (“Person Centered Services”) ensures individuals, parents, guardians, correspondents, advocates, or Mental Hygiene Legal Service the right to object and appeal any stated rights related to facilities or HCBS waiver services, including objections regarding any plan of services, including a life plan, or part thereof, and proposed changes thereto, care or treatment (medical treatment for which informed consent is not necessary), or plans for placement or discharge. A person may also object to any proposal related to reduction, suspension or discontinuance of HCBS waiver services. You should feel free to contact your Care Manager if you have any questions regarding rights, care, treatment, or placement/discharge planning. She or he will gladly answer any questions or discuss any issues with you.

Also, the Office for People with Developmental Disabilities has established specific procedures to ensure that all informal and formal objections and appeals are given fair consideration.

1. An informal objection is made to the relevant staff of the agency, including the Chief Executive Officer and Department Director. A meeting will be scheduled within 5 days of receipt of the objection. The person’s Care Manager and advocate shall be included in the discussion to attain resolution. Written confirmation of resolution (or inability to reach resolution) is forwarded to the objecting party by the Chief Executive Officer within 14 days. If the informal objection process is related to the reduction, suspension or discontinuance of HCBS waiver services, then the agency shall include documentation of the result of the process in your record and notice of the parties’ inability to resolve the objection shall meet requirements set forth in 14 NYCRR 633.12(a)(8)(ii).

2. **To initiate informal objection procedures or ask questions about the process, contact:**

Director of Quality Assurance/Corporate Compliance

Buffalo, NY 14210

3. If the decision made in the informal objection process is unsatisfactory to you and the objection does NOT concern a proposal to reduce, suspend or discontinue HCBS waiver services, you may submit a formal (written) objection requesting a hearing to the DDRO Director within 14 days of receipt of the notice from the CEO. Within 5 days of receipt of a formal written objection, a hearing shall be scheduled to take place before a hearing officer appointed by the DDRO Director, with no less than 10 days’ notice to the involved parties. A written decision from the hearing officer shall be sent to the involved parties within 14 days of that hearing. If any party to the proceeding is not satisfied with the decision, it may be appealed within 10 days to the Commissioner, who will issue a final written decision to all parties within 14 days of receipt of the appeal. The Commissioner may send the matter back to the hearing officer for further review.

4. If the decision made in the informal objection process is unsatisfactory to you and the objection concerns a proposal to reduce, suspend or discontinue HCBS waiver services, you may submit a

formal (written) objection to the DDRO Director requesting administrative review of the reduction, suspension or discontinuance, within 14 days after the receipt of the notice from the CEO. The agency shall not reduce, suspend or discontinue the HCBS waiver service(s) at issue, unless otherwise agreed to by the parties, during the administrative review process. Upon receipt of a written objection requesting an administrative review, the DDRO Director or his or her designee shall contact you and Person Centered Services to mediate resolution of the objection. If there is no resolution within 14 days of receipt of the objection, a hearing shall be scheduled, with no less than 10 days' notice to the involved parties. The hearing shall be conducted by a hearing officer appointed by the DDRO Director. You and Person Centered Services may mutually agree to extend the time periods. The hearing officer shall issue a written decision within 14 days after the conclusion of the hearing. Either party may appeal the decision to the Commissioner and submit a written reply to the decision within 14 days of its receipt. The Commissioner will issue a final written decision to all parties within 14 days of the last date to appeal. The Commissioner may, at his/her discretion, send the matter back to the hearing officer for further review.

5. When the agency proposes these changes to prevent immediate risk to the health and safety of the person or others, either the agency or the objecting party may request an expedited hearing by sending a written request to the Commissioner.
