Chemung Ontario Schuyler Seneca Steuben Wayne Yates
<b>AutismUp</b> 50 Science Parkway Rochester, NY 14620  Sarah Milko <a href="mailto:smilko@autismup.org">smilko@autismup.org</a>	<b>Social Skills Recreation/Education</b>  Hannah Kmiecinski <a href="mailto:hkmiecinski@autismup.org">hkmiecinski@autismup.org</a>  Chris Hilton <a href="mailto:chilton@autismup.org">chilton@autismup.org</a>	Evening Social Skills Education Program: AutismUp will offer an evening program at the Golisano Autism Center (GAC) to meet the social skills and recreation needs of our participants in an inclusive setting. They are partnering with St. John Fisher College's Golisano Institute for Developmental Disability Nursing program for staffing our Friday nights. These will be clinical placements for Nurses in training. The program is open to individuals who are 13 years of age and older with ASD and similar disorders. Services will be offered at one location, the GAC, at 50 Science Parkway in Rochester. The staffing ratio will be approximately 1:2 or 1:3 depending on the functioning age of the individuals. The program will run for 10 months of the year, twice per month. It will be scheduled in the evening from 6:30 – 9:00 pm. There will be two groups – one for 13-17 years of age and one for those 18 and older. Each age group will meet 10 times for a total of 20 sessions. Our goal is to maintain a minimum participation of 15 individuals in each cohort, or 30 overall. During each date the program runs a team of AutismUp staff will immerse the participants in social skills-based education. They will offer age-appropriate recreational activities to make it a fun and a relaxing / safe place to hopefully build relationships with others that will go beyond these opportunities. This will also be a respite opportunity for their families / caregivers.	Monroe
